Engin. Lib.

ARMY ORDNANCE

Index to Volume IX

No. 49 (July-August 1928) to No. 54 (May-June 1929) Inclusive

SUBJECT INDEX

Aberdeen Proving Ground, 1928 Reserve Officers' Training Camp ... 121
Airplane by Parachute, Machine Gun and Crew Landed from ... 176
American Institute of Electrical Engineers, The ... 95
American Society of Mechanical Engineers, The ... 93
Ammunition, Artillery ... 221
Ammunition, Complete Rounds of ... 263
Ammunition Design ... 243
Ammunition, Efficiency of Artillery ... 245
Ammunition, Preservation of ... 416
Ammunition, Procurement of Artillery ... 267
Ammunition, Production of Artillery ... 343
Ammunition Research ... 235
Ammunition, Tracer, Part III: Proof Testing ... 44
Annual Meeting—Bridgeport Ordnance District ... 119
Annual Meeting, Our Tenth (Editorial) ... 117
Antiaircraft Guns, Mobility of New 3-inch ... 395
Antiaircraft, Modern ... 309
Antiaircraft Targets, Gliders Used as ... 402
Armament in the Field, Servicing ... 383
Armored Car, The Heavy ... 391
Armored Cars for the Army, New ... 125
Army and Navy, Joint Action of the ... 307
Army and Navy Ordnance, Status of ... 347
Army Board Recommends Caliber .276 for Semiautomatic Rifle ... 166
Army Day, April 6, 1929 ... 376
Army Industrial College, The ... 167
Army Ordnance Association, Inaugural Meeting, Milwaukee Post ... 227
Army Ordnance Association, Inc. ... 335
Army Ordnance Association, Milwaukee Post, Organized ... 155
Army Ordnance Association, Tenth Annual Meeting of the ... 180
Army Personnel Pending in U. S. Senate, Legislation Affecting ... 124
Artillery Ammunition ... 221
Artillery Ammunition, Efficiency of ... 245
Artillery Ammunition, Procurement of ... 267
Artillery Ammunition, Production of ... 343
Artillery Fuzes, Design of ... 253
Association Affairs (Editorial) ... 353
Association, Inc., Army Ordnance ... 335
Automotive Ordnance, The Design of ... 388
Ballistics, New Methods in Exterior ... 50
Baltimore District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 77
Binoculars, Prism ... 125
Birmingham District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 78
Bombs and Bomb Fuzes ... 329
Books ... 62, 198, 278, 335, 423
Boston District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 79
Bridgeport District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 80
Bridgeport Ordnance District, Annual Meeting ... 119
Buffalo District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 81
Bureau of Explosives, The ... 324
Bursting of Rifles in Service, The ... 33
Business Council, Edward C. Delafield Appointed to War Department ... 196
Chicago District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 83
Cincinnati District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 82
Civil War, Ordnance in the American (Pictorial) ... 156
Civilian Personnel in the World War ... 407
Cleveland District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 84
Cleveland Ordnance District, Henry C. Osborn Recently Appointed Chief of the ... 415
Commercial Value of Hopcalite ... 197
Complete Rounds of Ammunition ... 263
Construction Division Association, The ... 100
Corps Area Ordnance Activities ... 403
Decisive Decade, 1918-1928, The ... 73
Decomposition of Smokeless Powder ... 230
Defensive Hand Grenades ... 260
Delafield Appointed to War Department Business Council, Edward C. ... 196
Density of Explosive Charges ... 256
Design, Ammunition ... 243
Design of Artillery Fuzes ... 253
Design of Automotive Ordnance, The ... 388
Design of British 6-Wheel Trucks, Novel ... 394
Design, Projectile ... 237
Detroit District Ordnance Office (Munitions Preparedness Ten Years After The World War) ... 85
Development of the Officers' Reserve Corps ... 123
Development of U. S. Rifle Caliber .22, Model 1922 ... 51
Dodge Board Report, The (Editorial) ... 118
Dogs of War in Modern Battle, The (Pictorial) ... 112
Editorial ... 48, 117, 194, 274, 352, 420
Association Affairs ... 353
Dodge Board Report, The ... 118
Educational Orders ... 353

Election of Officers ... 194
General Maurice on Industrial Preparedness ... 195
Industrial Mobilization ... 194
Jenkins, Alexander Lewis ... 420
McFarland's Ordnance and Gunnery ... 352
Merchandising Munitions ... 420
Milwaukee Post, A. O. A. ... 195
National Matches, The ... 49
New Light Tank, The ... 352
Old Friends and New at The Helm ... 354
Other Things the Army Did Besides Fight ... 48
Our Tenth Birthday ... 49
Patents of Government Employees ... 118
Reserve Officer Training ... 352
Rowe, Casper H. ... 195
Short-Sighted Policy, A ... 421
Springfield Armory ... 48
Spruance Endowment, The ... 422
Steinmetz, Lieut. Col. Joseph A. ... 118
Tenth Annual Meeting, The ... 194
Tenth Annual Meeting, Our ... 117
Things Worth Debating ... 421
Violet Rays for Guns ... 421
Educational Orders (Editorial) ... 353
Educational Orders for Munitions, Part I ... 318
Educational Orders for Munitions, Part II ... 413
Efficiency of Artillery Ammunition ... 245
Election of Officers (Editorial) ... 194
Erosion of Rifled Bores ... 191
Experimental Work at Springfield Armory ... 17
Explosive Charges, Density of ... 256
Explosive, Radium Atomite—A New ... 50
Explosives, High ... 269
Explosives, The Bureau of ... 324
Finish of Small Arms at Springfield Armory, Heat Treatment and ... 28
First Organized Reserve Rifle Team for National Matches ... 124
Fuzes, Bombs and Bomb ... 329
Fuzes, Design of Artillery ... 253
Fuzes, War-Time Manufacture of ... 224
General Maurice on Industrial Preparedness (Editorial) ... 195
Gliders Used as Antiaircraft Targets ... 402
Government Employees, Patent Rights of ... 129
Government Employees, Patents of (Editorial) ... 118
Great War, Military Lessons of the ... 148
Grenades, Defensive Hand ... 260
Gun Activities of Springfield Armory, Machine ... 52
Gun Goes Into Service, As A 14-Inch Railway (Pictorial) ... 102
Gunnery, McFarland's Ordnance and ... 321
Guns, Mobility of New 3-inch AA ... 395
Hall Breech Loader, The ... 113
Hand Grenades, Defensive ... 260
Heat Treatment and Finish of Small Arms at Springfield Armory ... 28
Heavy Armored Car, The ... 391
High Explosives ... 269
Hopcalite, Commercial Value of ... 197
Igloo Type Magazines, Navy Tests ... 127
Importance of Military Inventions, The ... 382
Inaugural Meeting, Milwaukee Post, Army Ordnance Association ... 227
Industrial College, The Army ... 167
Industrial Mobilization ... 143
Industrial Mobilization (Editorial) ... 194
Industrial Mobilization, Power in ... 162
Industrial Mobilization, Transportation in ... 153
Industrial Preparedness, An Evaluation of America's First Ten Years of—The Decisive Decade, 1918-1928 ... 73
Industrial Preparedness, General Maurice on (Editorial) ... 195
Inventions, The Importance of Military ... 382
Jenkins, Alexander Lewis (Editorial) ... 420
Joint Action of the Army and Navy ... 307
Legislation Affecting Army Personnel Pending in U. S. Senate ... 124
Machine Gun Activities of Springfield Armory ... 52
